We endeavour to source our ingredients from local independent suppliers. Our meat is from J. May & Son butchers in Fordingbridge who make the sausages and burgers. Our cheese comes from Crook & Churn dairy in Blandford. Our milk is supplied by Nunton Farm dairy, whose cows graze just up the road from the Café.

Our free-range eggs are from Clayton's.

All of our food is freshly prepared to order which may incur a longer wait during our busiest times.
